The image shows a large outdoor stage set up on a grassy area. A prominent banner on the left side of the stage features the event's branding. The banner has a circular logo at the top with the name 'TOM KERRIDGE' and 'PRESENTS' below it. The main title 'PUB IN THE PARK' is written in large, bold, black letters. Below the title, it says 'GOURMET FOOD' and 'CRACKING MUSIC • LUSH VIBES'. The banner has a colorful, abstract background with shades of yellow, orange, and purple. The stage itself is covered with a black tarp and has several large black speakers lined up along the front edge. A person is visible on the stage, possibly a performer or technician. The stage is supported by a metal truss structure with various lights and equipment hanging from it. The background shows green trees and a clear sky.
